COMPANY OVERVIEW

Bitachon Procurement Partners LLC is a small business based in Passaic, New Jersey that supplies commercial off-the-shelf products to government buyers. We respond to RFQs and purchase requests, source brand-name or equal items from manufacturers and distributors, and ship directly to the customer's delivery point.

CORE CAPABILITIES

- Sourcing of brand-name and equal commercial products
- IT and electronics: computers, displays, peripherals, networking, A/V
- Tools and shop equipment
- Facilities and MRO supplies
- Safety equipment and PPE
- FOB-destination delivery nationwide (drop-ship)
- Competitive quotes for simplified acquisitions
- Country-of-origin, TAA and Buy American documentation on request

HOW WE WORK

- **RFQ** — review specifications, quantities, ship-to and required date
- **Sourcing** — confirm availability, lead time and country of origin
- **Quote** — itemized unit and delivered pricing with requested documentation
- **Delivery** — order placed on award, shipped FOB destination with tracking
